Shipping Overseas Orders - please contact us via our contact form for a quote on Priority Mail rates.

PLEASE READ: Shipments of items "in stock" should arrive to you in 3-10 days, depending on if weekend and/or holiday involved. Items you "Order for Future Delivery" will of course ship as soon as we receive them.

RETURNS: We understand that occasionally items need to be returned. They are accepted if within 30 days of receipt. There is a \$15 restocking charge for items returned, and original shipping costs are not waived/refunded for an item not wanted. Items sent to you via UPS should be returned to us via UPS (US 48 states). Items mailed to you (HI, AK, PR and Canada) should returned to us via mail. Also, if applicable, no inbound shipping charges will be paid out that are higher than outbound charges (we will not pay out to you, over what we charged you to get the item to you). Bottom line: Returns to be sent same method you received them, or if applicable you would pay the difference. Fair enough?
